Your Gifts Matter

Each year, we are humbled by the continued generosity of the individuals, foundations, businesses and churches who contribute to the financial health and growth of our mission. You make such a positive impact in the lives of children and families who are struggling. Without your help, many of them would be at risk of certain failure. But, you put a smile on their faces and hope in their hearts by providing the help and support they so desperately need. **Thank you!**

Why do we need your help to fund our services?

We rely heavily on our endowment and private contributions in order to fully serve NC children and families in need. **We simply could not fund our mission without you.**
