

Internship Program

Children's Hope Alliance is proud to offer a comprehensive Internship Program for qualified individuals seeking internship or practicum experience as part of their school program requirements. With nearly 150 years of service to children and families, we understand that the quality of care in our communities depends on the commitment and preparation of those who provide it. Our internships are designed for those who share a passion for improving outcomes for children and families. Interns gain meaningful, hands-on experience in a supportive, mission-driven environment that fosters both professional growth and personal impact.

If you're ready to make a difference and grow your experience, we invite you to apply and become part of our mission to provide of hope, health, and healing for generations.
